To begin training, follow these steps:

- 
- 1) Courses on this site require the free Java software - please [click here](#) to check your version of Java and install the latest version, if necessary.
 - 2) Please record your user name and password for future visits.
 - 3) You may log in now by clicking the "University Login" button below. In the future, please return to your Knowledge@Work Online University Login page. Consult your followup email to review these instructions.
 - 4) After logging in, you will be viewing the University's Home Page.
 - 5) Click on one of the 6 boxes on the Home Page that refers to the course you are attempting to take.
 - 6) Once you're on that page, click the course title on the left side of the page.
 - 7) Now click the "Request Enrollment" button in the middle of the page. Your enrollment is immediate; you will be directed to the My Courses page.
 - 8) Click the course title to launch your course.
 - 9) Follow any instructions in the course.
 - 10) Once completed, exit the course. If you've passed, you can click the green "Certificate" link on the 'My Courses' tab to print your certificate.
 - 11) To check your scores, click the Student Center button and then View Your Student Transcript Report link.
 - 12) To print a certificate for any courses you've passed, click the Student Center button and then Print Course Certificates link.

If you have any questions, please contact customer support by calling (303) 302-1187 x1 or (888) 948-4949 x1 or sending an email to infoGBI@firstnetlearning.com.

Our representatives are available to assist you Monday – Friday, 8AM-5PM MT.

Enjoy your on-line training!

HOME MY COURSES STUDENT CENTER LIBRARY

Welcome Lorine L. Peck to the Georgia Bureau of Investigation Training Center

The Georgia Bureau of Investigation Training Center is committed to providing its customers with a high quality educational experience. Our Training Center features online courses tailored to address the requirements set forth by GCIC for your agency. Simply click a link below appropriate to your user needs to view and enroll in the courses available. You will be able to track your own progress as you move through the course. When finished with each course, you may print a Certificate of Completion.

The material in these courses is designed for educational and training purposes only and was accurate at time of publication. Every effort is made to keep the courses current. Should you find discrepancies between this material and current policies and procedures, please report these discrepancies to cbthelp@gbi.ga.gov.

Identity Certification:

I certify that, by logging into the Computer Based Training System that I have been assigned the User ID and Password needed to access this system and the courses and information contained herein. I further certify that the completion of the contained courses is the sole product of my work and any discussion of these courses with others is not permitted. I acknowledge that allowing another person to complete any of these courses using the User ID and Password assigned to me is a violation of false official certificates or writings in violation of O.C.G.A. § 16-10-8 which is a felony punishable by 1-5 years in prison.

We are pleased to offer this online training resource to you!

Security Awareness

Security Awareness Training and Awareness Statement

Please Note: Prior to enrolling in this Examination, you must download and print out the S&I course handout located in the Library.

Security Awareness Training and Awareness Statement

REQUEST ENROLLMENT

Course: GG02
Code:
Catalog: Miscellaneous
Category: Cyber Security
SubCategory:
Language: English

This course can act as a foundational component of your security awareness program and help your employees understand how good data protection practices relate to their individual actions and behaviors. An integrated assessment tracks learner comprehension and understanding of key data protection concepts. Realistic examples are presented that add relevance and increase learner comprehension.

IMPORTANT: Upon enrollment, you will have 30 days to complete this course. After that time, the course will no longer be available.

Review the page and follow the instructions. Click on **Library** and download the training materials **“BEFORE”** clicking on **Request Enrollment**.

The screenshot shows the Georgia Bureau of Investigation Training Center website. At the top, there is a navigation bar with buttons for HOME, MY COURSES, STUDENT CENTER, and LIBRARY. The LIBRARY button is circled in red. A green callout box with a pointer to the LIBRARY button contains the text "Click Library".

Below the navigation bar, the main content area is divided into three columns. The left column has a heading "Security Awareness" and a sub-heading "Security Awareness Training and Awareness Statement". The middle column features a course titled "Security Awareness Training and Awareness Statement" with a "REQUEST ENROLLMENT" button. A red circle highlights a note: "Please Note: Prior to enrolling in this Examination, you must download and print out the S&I course handout located in the Library." Below the course title, there is a list of course details: Course Code: G002, Catalog: Miscellaneous, Category: Cyber Security, SubCategory, and Language: English. A description of the course follows, and an "IMPORTANT" note states: "IMPORTANT: Upon enrollment, you will have 30 days to complete this course. After that time, the course will no longer be available." A second "REQUEST ENROLLMENT" button is located at the bottom of the course details.

The right column is titled "Electives" and includes a "My Cart" icon. It contains text about optional courses offered by FirstNet Learning and a list of elective categories: Business Skills, Driver Safety, Employment Liability, Human Capital Mgmt., Health and Safety, PC Desktop Skills, and Quality Management.
